Founded in the spring of 1979, Alpha Delta Theta is one of the most diverse and active organizations at The University of the South. The sorority strives to serve both the University and the community while encouraging each sister to excel academically, spiritually and socially in her four years at Sewanee. Alpha Delta Theta has a high number of Gownsmen and Wilkins Scholars and maintains one of the highest grade point averages of all the Greek organizations. Academics aside, the sorority also hosts formal dances and numerous band parties with other sororities and fraternities. Members of Alpha Delta Theta are active in extra-curricular activities such as the University Choir, Cap and Gown, Sacristans, Student Assembly, Habitat for Humanity and varsity sports. The sorority encourages its members to participate in community service projects both with the sorority and independently. There are innumerable projects and activities that Alpha Delta Theta does as a sorority such as working at the recycling center, painting a 50 foot map of the United States for the elementary school, campus clean-ups, alumni phonathons, and assisting at the annual blood drive and health fair. We hope to continue our record of outstanding service and leadership in years to come.

Alpha Tau Omega

Will Reynolds - President

Kappa Omega was founded in 1999 on the principles of relaxed social interaction, exposure to new experiences, dedication to social awareness, and respect for all individuals. This diverse group of women participates in a variety of extracurricular activities, including dorm staff, varsity athletics, the Sacristan Guild, Emergency Medical Services, Programming Board, and many other organizations. Kappa Omega's average GPA of over 3.0 and the involvement in the Order of Gownsmen demonstrate our commitment to academic excellence. Not only are we committed to the personal growth of each member, but our extended interaction with the Sewanee community marks our active interest with our surrounding neighbors.

The Iota-Nu chapter of LambdaChi Alpha was formed when Sewanee's maverick local fraternity, Upsilon Sigma, went national in 1963. The first Sewanee Lambda Chis believed that creativity, respect, and individualism were principal pillars of strong brotherhood. This is a unique tradition the current brothers proudly uphold. The Lambda Chis are a diverse group, and we consider this an asset. Standing together as brothers, we are committed to excellence and leadership. But keep in mind that our brotherhood is founded on development of the individual.

Phi Gamma Delta is not simply a social club: we thrive on brotherhood and interaction; we stress the importance of academics; we build true friendships. The fraternity of Phi Gamma Delta was founded in 1848 at Jefferson College and in 1919 at Sewanee on the motto "Friendship, the sweetest influence." Internally, we have forged a solid core of unity, for each member knows that he can count on all of his brothers at any time. Externally, Fijis can be found in most aspects of Sewanee life as well. We currently boast members of the Order of Gownsmen, the Discipline Committee, the Orientation Committee, the Volunteer Fire Department, the Career Services Council, and WUTS-the campus radio station. We also have members in the University Choir and Orchestra as well as Proctors. Assistant Proctors, and members in the major social clubs.

In the spring of 1977, the first sorority at Sewanee was founded. The name of this sorority is Theta Kappa Phi, and its purpose is to bring together women of the college for social interaction and participation in the community while always upholding the traditional goals and ideals of The University of the South. Theta Kappa Phi takes pride in the many facets of University life in which our members are involved, which range from varsity sports to the student government. Many of our members belong to the Order of Gownsmen, the Student Assembly, the Honor Council, Phi Beta Kappa, or are active as well as dormitory Proctors and Wilkins Scholars. We are also members of the ribbon societies and social clubs. The variety of activities in which our members participate reflects the individuality our group strives for while always remaining a unified group.

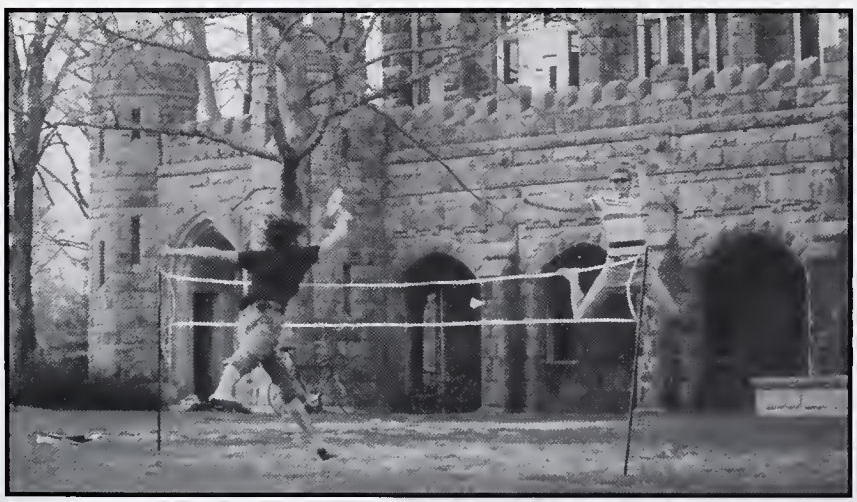
Extreme Badminton Society



members (left to right): Emily Wright, Lauren Martin, Leighton Reid, Valerie Moye, John Trimble, Kevin Hobbs, Luke Padgett, Eric Keen

Originally founded as the Sewanee Society of Avid Curlers, this group of athletes dedicated to the Canadian/Norwegian sport of Curling quickly came to their senses as Spring came to Sewanee, and quickly changed the direction of their club. The EBSS is now the most in-your-face-yet-gentle, extreme-yet-dignified, popped-collar-but-bare-feet organization in at least a decade. The Badminton Society has quickly become a group of living legends who welcome new-comers and experienced professionals alike, but the sport itself is not taken lightly. Combining a fervor for intense competitive action and a passionate appreciation for the sunset, these society members are stone-faced, chiseled, disillusioned, and completely serious.

Table Tennis Club

The Sewanee Table Tennis Club (STTC), founded by Senior Doncharlie Odonkor, is perhaps the club sport on campus that demands the most respect and admiration. As members of the National Collegiate Table Tennis Association (NCTTA), these studs have been competing in regional tournaments with the best collegiate players in the Southeast, and have improved their personal performance statistics (PPS) with each competition. A convergence of the most charming, tallest, most-Vietnamese students on campus, this Brotherhood of the Paddle (BP) is a Rising PowerHouse (RPH) in collegiate-level table tennis.

The Forestry and Geology Club

nembers (left to right): Eric Keen, Lawson Armstrong, John Trimble, Angie Langevin, Eliza Greenman, Kevin Hobbs, Elspeth Iralu, Luke Padgett, Valerie Moye

The Forestry and Geology Club is an organization committed to campus-wide service, education, and recreation through activities related the studies of forestry and geology. Clean-up hikes, Forestry Cabin clean-ups and cookouts, lectures from both student and guest lecturers, Arbor Day activities, movie screenings, attendance to regional and national conferences, and the newly founded Tree-Climbers Colloquium are just a few of the activities the F&G Club offers to the Sewanee community.

Atta boy, Grant. You may be the last Brown child to graduate, but you were the first to take on the state of Tennessee, spend a semester abroad, wear a kilt in public, and flaunt your ability to grow a full beard. You did it all your way and couldn't have done a better job.

CONGRATULATIONS

We've watched since you were little
Every movement, step, and play.
As you grew gracefully, so gracefully
To the man you are today.

We've rejoiced with each victory and wept with each defeat
The highs, the lows, the in-betweens
Are all our memories to keep.

TYLER CRIST BLACKWELL

In the earliest years, we wondered
Will you survive your growing up?
But, survive you did – and much, much more.
You've filled to the brim the cup
Of your life and ours – your father and your sisters.

WITH ALL OUR LOV

So, this and every day we live,
We celebrate the athlete:
Scholar, artist, player, and friend
But, most of all, to each of us
Our son and brother – a wonderful man.
